

**Are you in Year 11 or 12 and studying in a Camden school? Are you interested in a valuable work experience placement?**

Join our Virtual Work Experience (VWEX) programme! Click the logos below for information about the placements at **Google, Camden Council, Camden Spark and SCS Railways - exclusive to Camden students.**

Meet new people, learn transferable skills, understand how a world-leading organisation functions and gain valuable experience for future university, apprenticeship and job applications. You will work as a team to complete a work-based project, alongside a programme of masterclasses and workshops.

**Placements take place 28th June - 2nd July**  
**Register [here](#) to apply**  
**Deadline midday Friday 11th June**

*I really enjoyed working with new people and bringing our ideas together. I've gained more confidence in expressing my ideas and ways to problem solve. It was also really useful to learn from the digital skills training such as writing a CV. Throughout the week I developed my presenting and team work skills and overall it was a very memorable experience.*
