

Camden data charter

We have produced a **data charter** - the **data charter** tells you how we collect, use and share your information

We use different sorts of information to improve your experiences with us

Our Data Charter says

- we will build trust by being open and clear about the information we collect and how we use it

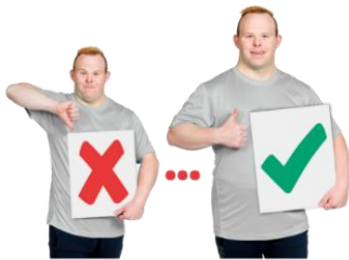

- we will be responsible and protect your rights over your own information

- we will make sure we keep your information safe and use it properly

- we will make sure we manage information correctly and only use it for the good of our residents

- we will be clear about our outcomes and how they will benefit everyone

- we will be clear about how we use your information

- we will protect your rights and privacy
