- Access to our sports development teams voluntary scheme
- Links to employment opportunities
- Mentoring and support service
- Opportunities to progress to Higher Education

I never thought I would go to University...

/// I didn't know it at the time, but when I was 16 I needed the staff team to point me in the right direction and help me through a difficult time. I'm now enrolled at University of East London on a Sport & Exercise Science Degree and employed as a Part time Fitness Instructor ///

Daniel

Sports Education & Training Programme

Contact us
