

ONLINE SAFETY TIPS

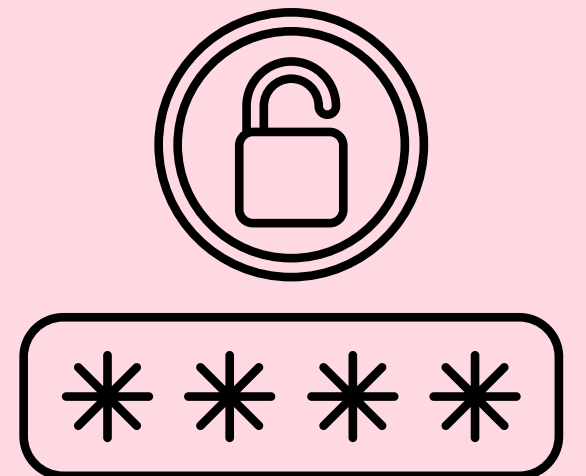

Keep your personal info private!

Never share your full name, address, school, or passwords.

Use strong passwords!

Mix letters, numbers, and symbols — and never share them with friends.

Only Talk to People You Know

Only chat, text, or play games with friends and family.

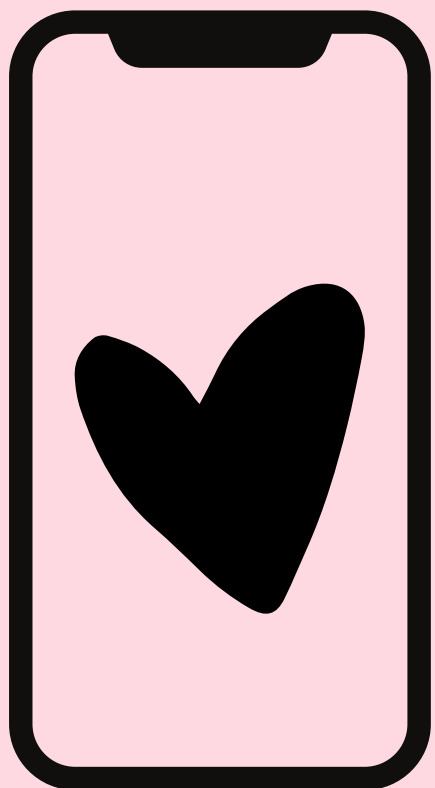

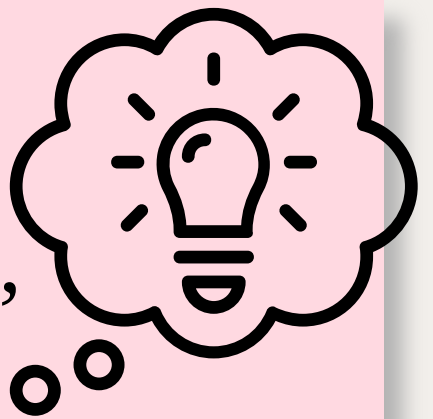

If someone you don't know tries to talk to you, tell a trusted adult.

Think Before You Share

Don't post pictures or videos that show your face, location, or anything private.

Once something is online, it can be hard to remove.

Be kind online.

Treat others with respect — just like in real life

Tell a trusted adult.

If something online

makes you feel scared or uncomfortable, talk to a parent, teacher, or guardian right away.
