For curious minds

# SIDE HUSTLE SCHOOL

Unlock your potential and explore the exciting world of entrepreneurship in this dynamic and interactive workshop. Designed for aspiring young innovators, this session introduces students to the mindset, skills, and tools needed to turn ideas into action.

**Food and Snacks  
provided**

The workshop includes:

- **Entrepreneurial Thinking:** Learn what it means to think like an entrepreneur—creativity, resilience, and problem-solving.
- **Business Basics:** Discover how to identify opportunities, develop a business idea, and understand key concepts like value proposition and customer needs.
- **Side Hustle Strategies:** Explore how to start small, test ideas, and grow a venture with limited resources.
