

Count Me In Project SEND Summer 2026 Programme

In partnership with Camden Summer Univeristy

Try something new, build confidence, learn practical skills, meet other young people and create something to be proud of, with support from experienced youth workers. Wheelchair access entrance and facilities

Who is it for?

Young people with SEND who would benefit from a structured, creative and supportive summer offer.

The programme will support confidence, communication, independence, teamwork, creativity and positive social connections.

What's on offer?

Woodworking, Art & Design, Film making, Sports & games, music and well-being support

Extra Friday sessions at
Somers Town Youth Centre

Extra Friday sessions at Somers Town Youth Centre

For Weeks 1 to 3, there will also be a Friday session at Somers Town Youth Centre between 2:30pm – 6:00pm. This gives young people an extra chance to stay

WEEK 1

WOODWORK

Create something special with wood. Young people will learn to measure, cut, shape and join wood using tools safely. They may make a tea light holder, birdbox, wooden bowl, trinket box or their own small project. All tools and materials are provided.

WEEK 2

Art

A four-day creative art adventure using pencils, pastels, marbling and collage. Young people will explore colour, ideas and self-expression, creating work on small and larger scales in a relaxed and supportive space.

WEEK 3

Film Project

Create a film as part of a crew, from script to screen. Young people will learn planning, storytelling, camera skills, sound and editing. They need to attend each day to complete the project. A link to the final films will be emailed afterwards.

WEEK 4

STYC Activities

Join the Somers Town Youth Centre summer offer. Activities may include sport, games, creative work, food-based activities, music, well-being support, youth voice and social time with other young people.

Please scan the QR code to register your interest. Registration does not automatically guarantee a place. A member of the team will contact families to discuss suitability, support needs and next steps.
