

## **Camden Youth Celebration Multi-Media Competition 2025**

Got something to say about the future of young people in Camden? Want to share your hopes for the future in a creative way? This is your chance!

We are running a Multi-Media Competition to get young people thinking, creating, and speaking up about the issues that matter to them. The competition is run as part of our Youth Celebration Fortnight, which will be held between 27 October and 7 November 2025, aligning with National Youth Work Week.
